Descripción:

Sapphire SS 370 2395 hours mounted in a 2018 16' Pace trailer, once you use a trailer you will never drive around in a smelly dirty van all day again. Also insurance much cheaper on the trailer. All equipment needed to go to work. 2 x Wands Hydra force tile cleaning tool, upholstery wand, 200' steam hose on a reel, 200' of vac hose on a reel. 100' water hose on a reel. Honda 4000 psi pressure washer & concrete scrubber. Trailer has epoxy floor & sealed walls. Unit serviced every 50 hours with Mobile One synthetic oil. Retiring this was our spare trailer and was never lettered sold other Sapphire with business. In business 25 years earned a great living. Everything purchased new.
