Reference Number: UCC8038
Publicado: 03.12.2021
Descripción:
Runs - We will install in your van here in Virginia Beach if you'd like.

Manufacturer's description:

Specifically designed as a dual-wand unit for residential and commercial applications, the 570 has the capacity to serve your business needs for years to come. The 570 utilizes a tube-and-shell heat exchanger plus Sapphire's patented thermal well system to capture all the heat you need to tackle the toughest cleaning jobs. This unique technology keeps the engine and blower cooler, extends component life and reduces maintenance, keeping you on the job making money.
