Description:

For Sale: 2001 Chevy Express 3500 5.7 V8 Cargo Van with HydraMaster 4.8 CDS Truck Mount Carpet Cleaner

Looking for a reliable workhorse with plenty of life left? I'm selling my 2001 Chevy Express 3500 cargo van, equipped with a powerful 5.7 V8 engine and a fully operational HydraMaster 4.8 CDS truck mount carpet cleaner. This van is the perfect setup for any carpet cleaning business or similar service needs.

Key Features:

New tires, radiator, battery, oil pan, gasket, and fuel pump – All the essentials have been updated, ensuring you're road-ready.

HydraMaster 4.8 CDS truck mount carpet cleaner – A highly efficient cleaning system, ideal for professional carpet cleaners.

Clean title and smog certificate upon completion of sale – All paperwork will be ready for a smooth transaction.

Additional features: 7-inch touchscreen, A/C, and backup camera capability (just needs the camera installed).

This van was purchased a few years ago by my son from the Las Vegas school district when they

upgraded their fleet. It's been well-maintained and has served us reliably. Due to some personal matters, I need to sell it to handle other affairs.

With no warranty, it's sold as-is, but with the care and maintenance it's received, it's got a lot of life left to give! Whether you're just starting your business or looking to upgrade, this van is ready to work for you
